A Case for Solar No assembly is required for the Solar Liberty 660W. The transport case for the 660-watt photovoltaic (PV) array uses a case-integrated racking system, allowing panels to be deployed by one person in less than 4 minutes. The portable PV array can be scaled quickly by connecting multiple arrays to meet power generation requirements.

660W solar parameters

132-cells monocrystalline solar module in half-cell architecture. This monocrystalline solar module in half-cell architecture impresses with its optimized design/ratio of power to size and its efficiency of up to 21,95%. As a high-performance module, it is ideally suited for use on commercial and industrial buildings.

High Efficiency 660W Monocrystalline Solar Panel, Find Details and Price about Solar Panel 660W Solar Panel from High Efficiency 660W Monocrystalline Solar Panel - MAANSHAN GREATSOLAR NEW ENERGY CO., LTD.
