Does Algeria impose DAPs on imported products?

Export to Algeria: Import Duty Algeria has legislated to implement DAPS on imported products since 2018, authorizing the Ministry of Commerce to impose additional tariffs ranging from 30% to 200% on imported products every year, in order to reduce imports and encourage domestic production.

Do importers need to know about new regulations in Algeria?

On the other hand, the new regulations issued by the local government of Algeria are rarely notified in advance and are usually implemented immediately, with large variables. Therefore, it is necessary to carefully evaluate the qualifications and capabilities of importers when shipping to Algeria.

What are the different rates of customs duties in Algeria?

The country levies high customs duties on some goods to protect national production. 0%, 5%, 15%, 30% and 60% are the different rates of customs duties applied in Algeria. All import and export transactions of goods and services must be domiciled with a bank. For more information, consult the Customs Directorate website. The Algerian Customs tariff is applied on the HS nomenclature.

Why is customs clearance a problem in Algeria?

Customs clearance is a common problem facing foreign companies in Algeria, with delays ranging from weeks to months. One reason is the numerous bureaucratic documentation requirements described above in the Import Requirements and Documentation section.

Is Algeria restraining imports in 2022?

In the latest news, Algeria signed the 2022 Finance Law (LA LOI DE FINANCE POUR 2022) on December 30, 2021. Global traders and suppliers need to pay special attention that this adjustment shows that Algeria encourages domestic production, the policy orientation of restraining imports. Export to Algeria Payment Rules:

Do Algerians have a duty-free port / airport storage / demurrage charge?

Port / airport storage and demurrage charges are systematic in Algeria for air / sea shipments. Diplomats may import one or more air and/or sea shipments duty free, provided they arrange for diplomatic exemption for each shipment.
