The Forest Stewardship Council (FSC) supports responsible forestry, which is a vital solution to combat climate change. Choosing FSC-certified products - whether furniture, building materials, paper, rubber, or textiles - helps protect forests, wildlife, clean water and supports the Indigenous Peoples, forest workers and communities who depend on them.

If you're looking for versatile storage space on a budget, we recommend purchasing a used 40ft shipping container. Used 40ft containers have been retired from international shipping after an average of 15-20 years at sea. Although they're no longer suitable for stacking or shipping, 40ft used containers are an excellent static storage solution.

As a global pathfinder, leader and expert in battery energy storage system, BYD Energy Storage specializes in the R& D, manufacturing, marketing, service and recycling of the energy storage products.

Energy Storage Container is an energy storage battery system, which includes a monitoring system, battery
