

Canberra Photovoltaic Glass Sun Room

What is a Canberra glass enclosure?

This Canberra Glass Enclosure, is the perfect way to live outdoors all year round. Using a combination of glass and screen in your sunroom design is a savvy way to expand and enhance your home. In this Canberra residence, the gable roof amplifies the sense of space without weather or insect disruptions.

What is a custom sunroom Canberra?

Custom Sunroom Canberra are designed to extend your enjoyment of the outdoors without the usual annoyances of wind, rain, insects and harmful UV rays. Whether it's a children's playroom, a new addition to entertain, or simply a cozy place to relax, a new Custom Patio Sunroom will add real beauty, functionality and value to your home.

Can solar hot water be used in Canberra?

Solar hot water is by far the single most efficient green system you can install in your home. We recommend evacuated tube systems oriented north and pitched at an angle of around 55 degrees for the Canberra climate. Are you capturing as much water as you can to be used in your toilet, washing machine, and garden?

What is a sunroom & a glass enclosure?

Sunrooms are the bridges that connect the inner sanctuaries of our homes with the beauty of the outdoors. They are a space where the line between inside and outside blurs. This Mid Coast Patio Glass Enclosure is the perfect example of a space that allows you to enjoy the best of your backyard with all the creature comforts of home.

Is a sunroom a safe addition?

By addressing these safety and security aspects, you can create a sunroom that is not only a beautiful addition to your home but also a safe and secure environment for everyone to enjoy. For over 39 years, Spanline Home Additions has led the home improvement sector in Australia, consistently offering innovative solutions.

What is the difference between a sunroom and a patio glass enclosure?

They are a space where the line between inside and outside blurs. This Mid Coast Patio Glass Enclosure is the perfect example of a space that allows you to enjoy the best of your backyard with all the creature comforts of home. Sunrooms provide the ideal space to take in the view.
