

Doha 72v lithium battery pack customization

Who makes custom 72V lithium batteries?

Custom 72V Lithium Battery Solutions At Tritex, we specialize in 72V lithium batteries for motorcycle and other applications. With over 15 years of experience and a team of 100+ engineers, you get: Custom Solutions: Tailored OEM/ODM production to meet your unique needs. On-Time Delivery Assurance: 3 production sites, producing 4,000+ packs daily...

Why should you choose a custom lithium-ion battery?

With stringent adherence to safety standards and compatibility with diverse drone systems, our custom lithium-ion batteries cater to the unique needs of aerial photography, surveillance, mapping and surveying, search and rescue, agricultural, and more.

Why should you choose a 72V battery?

Our 72V batteries embody the latest trends, offering features such as swappability, multi-battery connectivity, regenerative braking, IoT integration, and smart BMS. With extensive experience in customization while adhering to automotive quality standards like IATF 16949, we provide tailored solutions while maintaining transparency and openness.
