

# Dubai flexible photovoltaic panel manufacturer

Who is the best solar inverter supplier in Dubai?

Al Shirawi Solar is a favoured installation partner for Tier 1 solar modules and is the top solar inverter supplier in Dubai. The firm has successfully built a solid portfolio as a solar panel provider in a variety of areas, including Dubai, Abu Dhabi, and Sharjah.

Can solar panels be installed on a roof in Dubai?

As a building owner, solar PV panels can be installed on a variety of roof structures across Dubai. From sandwich panel roofs to solar car park shades. Al Shirawi Solar creates bespoke solutions to offer the best ROIs and reduce your company's carbon footprint.

Are solar panels a good option for a villa in Dubai?

As a villa owner in Dubai, residents can now install solar PV panels on the flat roof areas of their villas and generate usable electricity. These panels are connected to the MDB (Main distribution board) of the villa. The solar electricity generated is up to 70% cheaper than DEWA grid power, therefore reducing and even zeroing monthly bills.

Where are our high-performance solar panels manufactured?

We proudly manufacture our high-performance solar panels from our fully automated production plant in Dubai. Our versatile product line is suitable for a variety of applications including residential, commercial, and utility. We provide solutions that bring value to our customers while creating a sustainable future.
