

Germany Hamburg outdoor power supply OEM factory

Who is German power?

Welcome to German Power! Are you looking for smart solutions for your power supply? No problem. With the experience of a specialist in power supply systems for decades, we develop and produce smart power supplies in small and large quantities, from standard products to individual special designs.

Who makes Munk power supply systems?

Munk GmbH: Leading power supply systems for surface treatment since 1970. Innovative, high-quality products from Hamm, Germany.

Are the prototypes of the power supply EMC-optimized?

The prototypes of the power supply are EMC-optimized by us. On request we compile all necessary documents for safety approval (EN, UL, CSA, IEC) and accompany the certification. We accompany the series production and its tests at our cooperation partners. Testing and final assembly is done in-house or at the assembler.
