

Home led solar lights

Solar lamps and lights are available in many types and variants. For your home or office, you can find many options of lights that work on solar energy, such as table lamps, tube lights, and LED bulbs. Solar torches can help you carry light in outdoor areas and light strips with solar panels can help you decorate your home this festive season.

FOR LIGHTING 24/7. NEW! Solera Solar Lighting Hybrid 365 introduces game-changing technology to leverage both solar and line voltage to power bright LED area lights all night - every night. Hybrid 365 has an intelligent control module that knows to switch from cost-free solar power to line voltage only when the battery is depleted.

Without Solar Whiz Lights, these rooms may be illuminated using regular LED solutions. These lights may serve their purpose, but they lack the natural daylighting feel that our lights provide. Solar Whiz Lights may not provide real, direct sunlight to lower-storey or internal rooms, but they have been carefully designed to mimic the colour and warmth of daylight.
