

Home lighting led solar light

What is home & lighting?

By 2019, Home and Lighting was officially launched, offering innovative solar lamp post lights, led solar street lights, and dusk to dawn solar lights that could light up even the darkest corners. Our commitment was clear--to create durable, weatherproof, and cost-effective lighting solutions for every outdoor space.

What is solar led home lighting system?

Solar LED Home Lighting System are ideal sources for providing indoor illumination in remote areas and un-electrified villages. The Solar LED home lighting system essentially consists of the Solar module, suitable Battery, charge-controller, luminaries, inter-connecting cables and switches etc.

Who is home and lighting?

At Home and Lighting, we don't just create solar lights, we redefine how light transforms lives. Our story began in 2018, in Edd's backyard. Frustrated by the high costs of running electricity to his outdoor patio, he saw an opportunity. Why should lighting up a home or outdoor space require expensive electricians and endless power lines?

What are indoor solar lights?

Indoor solar lights are for those that are environmentally conscious and will add a whole new dimension. Solar lighting solutions for the outdoors are similar and also come in many different shapes and sizes. From solar fence lighting to super bright solar floodlights.

Are solar lights a good choice for your home?

When it comes to creating a warm, inviting ambiance for your home, few things are as important as lighting. The wrong set-up can turn a cozy little nest into a harsh, bleached-out office cubicle. Indoor solar lights are a great option to consider and offer great energy efficiency.

What are the best indoor lighting companies?

A twinkling string of fairy lights will make a warm, cozy nest and AMIR is one of the best lighting companies out there. With their string solar inside lights are renowned for their durability and versatility. The Upgraded String solar-powered indoor lights can be used both inside and outside and are perfect for relaxing accent lighting.
