Today the sector is once again faced with strong competition. But to set itself apart, Lyon's textile industry is relying on the old tradition of silk weaving to further its innovations. Although Lyon's silk is still used to furnish luxury companies such as Hermès and Chanel worldwide, it also inspires young designers.

Location (Headquarters): Shenzhen, China Year Established: 2013. Primroot is a leading-edge professional solar inverter manufacturer based in the high-tech hub of Shenzhen, China.
