

Large UPS Uninterruptible Power Supply Price in Kuala Lumpur

What UPS products do you offer?

Without compromising our ups quality, we deliver affordable ups products such as online ups, line interactive ups, extended back-up ups for various sectors of industries. We offer a range of uninterruptible power supply (UPS) equipment including line interactive power supply, extended back-up UPS & true online UPS.

Why should you choose 9395 ups?

Small footprint and lightweight reduce costs of transportation and installation. Strong power performance with active power factor control (PFC) provides unbeatable 0,99 input power factor and minimizes ITHD. This greatly reduces interference with other upstream equipment and enhances 9395 UPS compatibility with generators.

What is the topology of ups?

It has a line Interactive topology. The UPS has a surge energy rating of 156 joules. This easy UPS provides a simple solution for power protection for unstable power conditions in homes and small offices, ensuring consistent and reliable connectivity at the most critical moments.

What is ups application?

Our UPS application covers a wide range of operations. E.g.: Military, Bank, Broker, Oil & Gas, Power Plants, Hotels and Government Buildings. We also supply UPS which can cover a wide range of power quality problem such as: For Quotation Inquiry, Please Download And Fill Up This Form Here. For Single Phase UPS products range, [click here](#).

Can 9395 ups be paralleled?

Highest availability and reliability is achieved with Powerware HotSync paralleling technology that enables 9395 UPS to be paralleled for both redundancy and capacity. Advanced paralleling options also ensure your UPS system can easily adapt to increasing power requirements.

What makes ups a reliable backup system?

Reliable backup with scalable runtimes are enhanced with Advanced Battery Management (ABM(TM)) and UPS battery self test options that extend battery lifetime and help detect any defects in batteries already in earlier stage. Robust manageability is delivered with advanced control and connectivity options and with superior service offering.
