

The Roots of N'Djamena's Architectural Identity Our journey begins with the traditional structures that laid the foundation for N'Djamena's architectural identity. The use of local materials like mud bricks and thatch in the construction of homes and granaries was not only practical but also harmonious with the environment.

Très bel article. Comme à Kigali au Rwanda, les plus pauvres sont sacrifiés ; la modernisation de l'espace urbain. Dans certains cas, cette modernisation contrainte peut engendrer une paupérisation des populations, notamment des commerçants informels dont les commerces sont relégués ; la périphérie des grandes villes et qui faute de moyens de ...

She's in the field but comes to N'Djamena on weekends. My friend Chris works for another refugee aid NGO, and through him I met Matt and Jen, his colleagues and neighbors. On Saturday we all went out to dinner at Coté Jardin, a nice outdoor French-ish restaurant, and then dancing, which was a blast and definitely a good start to two years ...
