Who is BVI solar?

BVI Solar is more than just a residential solar company. We've helped thousands of residential and commercial customers go solar and reduce costs.

Solar City declined to give us a quote due to our roof shingle material. Apparently, there had been a class action lawsuit a few years back against the shingle manufacturer that was settled in favor of the manufacturer. But Solar City was afraid of liability issues, thus did not wish to install on our roof unless we changed our roof material.
