

USA container house wholesale

What is container Homes USA?

Container Homes USA - Building the American Dream, one container at a time. Our mission is to do one thing and one thing only, and to do it better than anyone else in the world: to build the single most adaptable, durable and sustainable structures on the planet. You get to decide exactly what you want.

What is a shipping container home?

These homes are made by retrofitting steel shipping containers, which are designed to be transported by cargo ships, into livable spaces. The effectiveness of shipping container homes lies in their affordability, durability, and versatility. A 20 ft shipping container can be converted into a small but cozy living space.

Who makes custom container homes?

Backcountry Containers crafts custom container homes specific to your unique needs and location. By customer demand, what started as primarily single-unit container homes has quickly grown to multi-container custom homes.

What is a multi-container custom home?

By customer demand, what started as primarily single-unit container homes has quickly grown to multi-container custom homes. Using a combination of stacked or adjoined 20ft and 40ft containers, we will create your dream home with features like full-sized kitchens, multiple bedrooms, and spacious living areas.

What is a 40 ft container home?

Inspired by the home we built on HGTV's Tiny House, Big Living, the Kennedy is a 40FT container home. It includes a bathroom, bedroom, living space, and a kitchen. We offer both a 20ft and 40ft option for our hunting container cabins. These models are built for the rugged outdoors and offer exceptional security.
